item code	description	information
0004	null	instrument panel /
1282	null	fuel additive ECU /
1320	null	engine ECU /
1630	null	automatic gearbox ECU /
5008	null	rain/sunlight/tunnel sensor
5025	null	left windscreen wiper motor
5030	null	right windscreen wiper motor
6031	null	passenger's front sequential electric window unit + motor
6032	null	driver's front sequential electric window unit + motor
6338	null	seat position memory ECU
6570	null	airbags and pretensioners control unit
6811	null	sunroof one-touch motor /
7122	null	power steering electric pump assembly /
7215	null	/ multifunction screen
7500	null	parking assistance ECU
7600	null	under-inflation detector control unit
7700	null	flywheel angle sensor
7715	null	suspension control unit
7800	null	ESP ECU
7804	null	ESP accelerometer gyroscope
8080	null	air conditioning ECU
8415	null	compact disc player
8480	null	radio telephone transmitter-receiver
8602	null	interior protection unit (anti-theft alarm)
BSI1	null	built-in systems interface
BSR1	null	Trailer Fuse Box
CV00	null	steering wheel controls
PSF1	null	engine compartment fusebox panel
PSF2	null	fuse board - fuse box (boot)
